
Wisconsin's Historic Houses Living History

demographics & data - citywaukeee - following its historic peak of 741,324 in 1960. the migration of city dwellers to the suburbs that began with the automobile was accelerated by massive freeway development in the 1950s and the development of newer, larger housing options in outlying areas. smaller family size, loss of manufacturing jobs, and other factors exacerbated the loss of population in the city. in 2000, the city's ...
