## Wisconsins Rustic Road Program

**wisconsins rustic roroadsads - travelwisconsin** - to qualify for the rustic roads program, a roadway must have outstanding natural features along its borders. these might include rugged terrain, native vegetation and wildlife, or open areas with agricultural vistas that make the road unique. the road should be a lightly traveled, local access road. it should not be scheduled for major improvements which would change its rustic characteristics ... **rustic wisconsin s da ro** - (wisdot) oversees the rustic road program; however, the roads remain under local jurisdiction. designation as a rustic road creates a unique state and local partnership of preservation and promotion. the collaboration invokes community pride, encourages tourism and fosters economic growth around wisconsin. whether you are planning a rustic roads excursion or just happen to come across a ...
